## CONTEST ENDS TO-MORROW NIGHT

# Rules Governing Close of Contest

The Contest Department of The Times-Dispatch will close at 10 P. M., Saturday, April 12th. A sealed ballot-box will be placed in a convenient place in the office of The Times-Dispatch. Contestants who wish no one to know the amount of business turned in on the last day may deposit all subscriptions, WITH CHECK OR MONEY TO COVER, in this ballot-box. The ballot box will be opened after the closing hour of the contest, and the votes on the subscriptions found therein will be issued.

In order that candidates residing out of the city may be on equal footing with those in the city, it has been provided that any candidate may mail a final remittance from any post-office, provided the post-mark shows that it was mailed before to P. M., April 12th, the closing time of the contest; or, should it be impossible to have envelope so stamped, a telegram dated before the closing time of the contest, giving the number of subscriptions and the amount of money mailed, will insure the counting of the remittance. Contestants may also use the telephone for this purpose.

Subscriptions sent by mail must bear a post-mark not later than April 12th, 10 P. M. All subscriptions (no matter when mailed) must be received at the Contest Department by 5 P. M. on Tuesday, April 15th, or they will not be counted for votes.

All subscriptions sent in by mail must be accompanied by cash, draft, money order or check to the amount covering subscriptions.

All mail sent on Saturday should bear a Special Delivery Stamp. Out-of-town candidates who wish to register their Special Delivery letters on Saturday, April 12th, should take the precaution to see when the registry department of their post-office closes, and also find out about the train schedules, mails, etc.

Address all letters bearing remittances and subscriptions to "The Times-Dispatch, Contest Department," and not to any individual. This is important.

Be sure that your name is on all subscriptions before sending them to the office.

The announcement of the winners will be made at the earliest possible moment, probably Saturday's Times-Dispatch.

Any complaint you may have concerning your votes must be made at once. No attention can be paid to complaints after the contest closes. Your success or failure probably depends on your efforts during the next few days.

No extension votes will be credited on subscriptions unless such extensions are plainly marked on subscription slip.

In publishing this warning we have in mind your welfare, and hope that no misunderstanding will mar your progress to victory. By following the above instructions carefully, and by reading The Times-Dispatch each day for further particulars, we are sure that everything will be clear to you.
